We're Joyride, known for our tight ensemble work, skilled play, fun energy, and inventively arranged tune sets. George Penk's propulsive, soaring fiddle is joined by Erik Weberg's deft flute, harmonica, & bombarde atop the agile rhythms of Sue Songer's heartbeat piano and Jeff Kerksen-Griep's muscular guitar and percussion. We play new and old fiddle tunes from New England, the British Isles, Appalachia, French Canada and right here at home. Catch a lift with Joyride!

April 3, 2019 Guest Caller Susan Petrick

Susan Petrick has been a regular feature of each season of first Wednesday Joyride dances. We love Susan's easy friendly style of calling and fun, creative repertoire. Susan is all over the country calling for dance weekends and one-offs and we're so lucky that she's made room for us on her calendar each year. Welcome back, Susan

May 1, 2019 Guest Caller Carol Piening

Carol Piening comes to us from Olympia, Washington. When she's not controlling noxious weeds in Thurston County, Carol is busy calling dances with her happy and conversational style that puts everyone at ease, even the band. Carol called with us several years ago and we're pleased to play for her again.

June 5, 2019 Guest Caller Susie Kendig

Susie Kendig will close out our 2018-2019 Joyride season with a big party that may even feature cookies! Music dancing and cookies! What could be better. Susie is back from Juneau, Alaska and brings with her a joyful good time, fun dances, and, perhaps, cookies. We're pleased to welcome Susie back to Oregon.
