Deb Comly is known for her quick and efficient teaching, diverse programming and reassuring demeanor. We're all excited to know she'll be behind the mic for our big New Year's Eve party. From her beaming smile to her happy feet, Deb's energy is contagious and will take us into the new year in grand style!

Joyride decided to move the accustomed first Wednesday dance at Polish Hall to the actual NYE because, well, there should be a contra dance on New Year's Eve. So, we dance on Tuesday rather than Wednesday. Except for a final dance after midnight, there won't be a first Wednesday dance in January.
