

# Joyride

## Presents **Another Concert of Dance Music**

WITH A COMPLETELY DIFFERENT SET LIST FROM THE MUSIC IN OUR DECEMBER CONCERT

**When:** February 2, 2022, 7:30 p.m.

**Where:** Polish Hall in Portland, 3832 N. Interstate Ave.

**Admission:** No charge. We will gladly accept donations. Our expenses consist of sound system and operator, hall rental, and insurance.

**Donations:** For those who wish to donate, we will have a donation bucket at the concert. Once your spot at the concert is confirmed, Sue Songer will provide Paypal / Venmo information for those who prefer that option.

**Attendance:** For Covid safety reasons, we will need to cap attendance and we'll implement an initial first-come model followed by a lottery. The first 30 respondents will be confirmed to attend. After that, there will be a lottery to determine who can be admitted. You will receive an email with information about your attendance status and a reminder of Covid protocols.

**When and how to register:** Registration will open on Monday January 10 at 7:30 p.m. PST. Please do not send a registration prior to that time as it will be disregarded. Registration will close on Monday January 24 at 7:30 p.m. PST, and the lottery for the remaining places will commence if it is necessary. Your "registration" consists of an email to the Joyride email account, joyridecontra@gmail.com, indicating your wish to attend. (Please register for yourself and your immediate family only rather than register a large group of friends. We want to do this as fairly as possible. If you want to register with people in your Covid "pod," keep that to two or three people, please.)

### **Covid protocols require:**

- Masks worn indoors at all times (except for performers while on stage)
- Proof of vaccination **and booster (if eligible)** at the door (vaxx card or photo of vaxx card)\*
- A signed liability waiver, which will be available at the door\*
- Contact information in case it is needed for contact tracing
- An attendance cap to allow for spacing between individuals and between "pods"

\*If you know your signed waiver was collected by Joyride or PCDC at a prior event, there's no need to sign it again. We'll have the PCDC database for reference although this is not a PCDC event. Please remember to bring proper vaccination evidence so we can check for booster status as a condition of admission.

WE STILL MISS OUR DANCERS, AND WE MISS PLAYING  
OUR MUSIC FOR PEOPLE WHO ENJOY HEARING IT!  
we'll GET BACK TO DANCING AT SOME POINT, BUT  
FOR NOW, THIS IS WHAT WE CAN OFFER.
