PRESENTS...

The June 1 First Wednesday Contra Dance

When: Wednesday, June 1, 2022 7:30 p.m.

Where: Polish Hall: 3832 N. Interstate Ave. Portland, OR

Admission: \$5-\$15 sliding scale

It's so great to be back to playing for dancers at Polish Hall on first Wednesdays. As dances in the area start up and feel their way through Covid protocols, we're all enjoying the thrill of returning to the activity we love. Maybe by Fall we'll be even closer to "normal". Time will tell. Meanwhile, there's this...

Our caller:

Susan Petrick has called at the Polish Hall for Joyride dances many times. She's traveled the country calling dances and is well-known for her clear teaching, friendly presentation and vast collection of fun dances. Susan is always a hit when she's calling and our evening on June 1 will be a wonderful close to our (short) 2021/22 season. Please join us in welcoming Susan Petrick back to Portland.

Registration

We will ask you to register to attend the dance because it makes it easier on the folks at the door. Register to attend by writing to joyridecontra at gmail dot com. Registration will guarantee your place at the dance unless we reach capacity, and you'll be confirmed by email. Walk-ins are welcome without registration, but if we've reached our capacity (registrants plus walk-ins) when you show up we'll have to sadly turn you away. So you may as well register by sending an email with your intention to attend. Registration will open on Monday, May 9 at 7:30 p.m.

Covid Protocol:

We will require proof of vaccination and booster. If you've been to a Joyride concert/dance or a PCDC event where you've proved your vaccination status, we have that information already. If you haven't or aren't sure, bring your proof of vaccination so that we can let you in. If we don't know that you're vaccinated we can't let you in. At this time we'll keep the mask requirement, although by the time June 1 rolls around we may be able to relax that, but assume the requirement to mask indoors. If the mask requirement is relaxed, anyone is certainly free to wear one as a personal choice.
